AND James Adlam on his oath saith, I am Constable, Wilts
Constabulary stationed at Durrington. An accident was reported
to me in the parish of Amesbury. As Coroner's officer I made
enquiries. I found that as a result of the accident a man named
William Humphreys a private in the 2nd. Training Batt: A.I.F.
No.5. Camp, Larkhill, home address 14 Sydney Street, Victoria,
Australia, age 36 had died at Fargo Hospital. At the time of
the accident a private in the A.I.F. named William George Lorimer
was in the deceased company. I saw him and took a statement from
him which I produce.

The statement referred to

William George Lorimer. I belong to the 2nd. Training Battn. A.I.F. No. 45. Camp, Larkhill. On Sunday 18th. day of March. 1917. I was coming from Amesbury to Larkhill about 9 p.m., in Company with Private Humphreys of the same Batt., about a quarter of a mile from Amesbury. I saw a motor car coming in the opposite direction with bright lights. I walked across the other side of the road and left Humphreys on the left side of the road and when the car passed I heard a bump as if the car had knocked something. I went back about 5 yards and saw Humphreys lying in the road, the car pulled up and the driver came back. Several other soldiers put him into the car and took him to Fargo Hospital. I should think the car was travelling about 14 to 15 miles an hour. We had been to Amesbury and had a few drinks but Humphreys was not drunk.

(Sgd) William George Lorimer.

AND James Michael Scanlan on his oath saith.

I am a Corporal in the 1st. Pioneer Training Batt. A.I.F. stationed at No. 26. Camp Larkhill.

On the 18th. March about 8.55 p.m. I was walking from Amesbury to the Camp about 60 yards the Amesbury side of the level crossing. I saw one or two people in the road. I went up and found the deceased lying in the gutter on my near side. He was breathing heavily, I took charge, put the man in the car, and took him to Fargo Hospital. The injured man had a bottle in his pocket. I do not know what it contained. His mate took it from him on the way to hospital.

Commonwealth War Graves Commission Headstones

The Defence Department, in 1920/21, contacted the next of kin of the deceased World War 1 soldiers to see if they wanted to include a personal inscription on the permanent headstone at Durrington War Graves Cemetery. Space was reserved for 66 letters only (with the space between any two words to be counted as an additional letter) & the rate per letter was around 3 ½ d (subject to fluctuation).

The expense in connection for the erection of permanent headstones over the graves of fallen soldiers was borne by the Australian Government.

(*Information obtained from letters sent to next of kin in 1921*)

A letter from Base Records, dated 19th July, 1921, to Mrs B. Fromer advises that a letter from the Defence Dept. concerning an inscription on the headstone of the late Pte W. Humphreys had not been answered & non-receipt of a reply within 21 days would have to be accepted as indicating that no further action was to be taken.

Pte W. Humphreys does have a personal inscription on his headstone.
